Reader Feedback

We're getting more interactive! Starting today you can sound off with your distinctive point of view in our new Reader Feedback section. That's right, we want to hear your insights and great ideas on issues that are directly affecting the hospitality industry. At the end of every story we publish you'll see a convenient e-mail link. Just click it and soon you too could tell everyone you know (and many you don't) exactly what you think.

And don't be afraid to make a suggestion or two on how we can better serve your needs.
